

AAA 2020 Forges Ahead as China Gains Control Over Covid-19!

We are very confident to tell you that the 16th Asia Amusement&Attractions Expo (AAA 2020) will be held on schedule as China is making significant progress in containing the Covid-19 epidemic!

More importantly, our exhibitors' enthusiasm keeps growing stably. Even during the past 3 months, there were still dozens of exhibitors who signed up for the show, and it's estimated that at least 95% confirmed exhibitors will show up this May as scheduled.

It's believed that the outbreak in China will be nearing its end as early as this late April, thus to seize market opportunities in the second half of 2020, AAA is the best choice!
