

European Casino Summit 2003

The 2003 European Casino Summit will take place on 8th and 9th May at the Hyatt Regency, Thessaloniki, Greece. Targeted at land-based European operators and the issues directly relevant to their businesses, the event is being described as 'the definitive Casino Industry conference of the year' by ATE, which is researching and managing the Summit.

Topics to be discussed at this year's Summit include: Updates and management strategies for live gaming and slot machines; Marketing and promotional initiatives; Regional case studies; Social responsibility; Regulatory and legislative issues; Payment systems and cash handling solutions; Testing; and an in-depth look at expanding revenues through 'Racino' projects.

The Summit will be preceded by a special networking event, open to all enrolled delegates, which takes place at the Hyatt Regency on the evening of 7 May.
