

SAGSE Central America & Caribbean @ Panamá 2016 will be supported, for the third year in a row, by Novomatic

Novomatic: Platinum Sponsor

(Panamá) SAGSE Central America & Caribbean @ Panamá 2016 (Mayo 4&5) has announced a strong support from one of the most important manufacturers of the world for the 12th edition: Novomatic.

Novomatic will take the biggest space in the exhibition, where it will present the last novelties for the Central America and Caribbean market.

As part of that important action, Novomatic will offer a Premium Open Bar service for everyone during the exhibition. It will be a true gastronomic experience from the hand of this company.

Visitors will go across an international cuisine by tasting different varieties of exquisite dishes, a buffet service and, most of all, a pleasant environment to relax during business.

“This trade show is expected to be a huge success and Novomatic’s support gives us a great recognition to our work. It has been 12 years of continuous development, betting on Central America and Caribbean. Novomatic, as well as exhibitors of this next edition, have understood the importance and seriousness of our work and effort. Panama is an important headquarters for an international event. Being present at SAGSE is to be present in the market”, Alan Burak, General Manager of this event, commented.

SAGSE Central America and Caribbean is annually visited by
